

Flavors

DON'T LIKE THE TASTE OF YOUR MEDICINE? HAVE DIFFICULTY SWALLOWING A PILL?

CHOICE PHARMACIES have a solution!

We can customize a medication by simply adding a flavor or create a combination of flavors to improve the taste and to make it easier to swallow.

Ask our Pharmacist about flavoring . . .

- *Your Medication*
- *Your Child's Medication*
- *Your Pet's Medication*

The Better Tasting Solution to Taking Medicine!

- Our pharmacists are trained in the art of compounding, customizing medications which includes adding or changing the **flavor** of medications.
- If your medication is too sweet or too bitter, choose a flavor that you prefer.
- Does your child refuse to take their medicine because it tastes bad?
- Would your cat rather take their pill in a tuna flavored treat, would Fido like beef instead?
- Ask the pharmacist for more information if you are interested in a TASTY solution to any of these medication problems.
